FIFTH DAY—MONDAY, NOV. 22, 1921

Final Session

The conference met at 3 o'clock P. M., S. R. Hay in the chair by appointment of the Bishop.

A portion of a hymn was sung and J. T. Smith led in prayer.

The minutes of the morning session were read and approved as read.

J. E. Green made some announcements concerning a book of Dr. H. C. Morrison now on the market.

Mrs. H. J. King moved a reconsideration of the vote made at the morning session on that portion of the report of the Committee on Memorials to the General Conference, which had to do with the use of tobacco by ministers. A second was had and E. A. Maness spoke, after which the vote was taken, but the motion was lost.

Miss Lilian Richards, of Beaumont, at this, and a later time, sang some gospel solos to the pleasure of the Conference.

The Bishop arrived and took the chair.

The Secretary of the Conference called attention to the need of some funds with which to meet certain expenses incurred in con-

nection with the Morehead trial, and other matters that had arisen, and a collection for the purpose was taken, amounting to \$70.31.

A resolution expressing appreciation for the administration and service of Bishop Ainsworth during the quadrennium just closing was read by S. S. McKenney and was adopted unanimously by a standing vote.

A resolution of thanks to the pastors, churches, citizens, press and others of Beaumont for the generous hospitality and many courtesies extended the Conference during its session here was offered by H. T. Perritte and others, and was adopted unanimously by a standing vote.

Mr. H. A. Ahrens, of the Church Bureau of Publicity, was introduced and made some brief presentation of the work of his department.

By request of the Conference Bishop Ainsworth made some extended remarks concerning some of the conditions and needs of the times in church and state, and took occasion to express appreciation for the resolution of commendation for his service and administration passed by the Conference.

S. R. Hay was again called to the chair and the Bishop retired from the room.

Several hymns were sung, after which, by special request, A. J. Weeks spoke to the Conference, giving account of some experiences had, and observations made, during his recent trip to Europe.

The bishop returned and took the chair.

Solos were sung by Joe J. Harris and Terry W. Wilson.

The Bishop gave a brief account of development of our work recently begun in Europe, and on motion the Secretary of the Conference was instructed to convey to Rev. Joseph Dobes, formerly a member of this Conference, now doing a signal work among his people in Czecho-Slovakia, the fraternal regards of his former fellow workers here.

At the desire of some of the ladies present, Mrs. W. N. Ainsworth, who was in the audience, was introduced and spoke a few words of appreciation and regard to the Conference.

The Committee of Trial in the case of T. R. Morehead reported to the Conference the completion of its work and of its findings, whereby he was found guilty of immorality on the first specification, as charged, (the second specification not being sustained) and assessed as a penalty suspension from all functions of the ministry until the next annual Conference. After the same was announced the Bishop led in a tender and touching prayer for our brother and his family.

S. R. Hay was called to the chair, and the Bishop and cabinet left the room.

A motion prevailed that the Conference adjourn sine die when the appointments for the incoming year shall have been read.

After a brief time the Bishop and cabinet returned, the Bishop took the chair, and proceeded to close the session.

Questions 6, 9 and 10 were called and answered as appears in the condensed minutes.

The minutes of this session were read and approved.

BOARD OF FINANCE

We had \$1,233 less this year than we had last to give to our Conference Claimants, with one Claimant more to provide for, making it necessar to scale down the appropriations.

We have had some most heart rending appeals for increase in appropriations to pay hospital fees, medicine bills, etc., to which we felt bound to give heed in meager extra allowances.

We have appropriated the entire amount of money on hand, leaving no reserve for cases of emergency. We therefore urge the brethren in pastoral charges where the Claimants reside to look well after their interests and see that they do not suffer for the necessities of life.

We urge the pastors to make more accurate reports of the condition of the Claimants in the boundary of their charges, and that these reports be made in person or in writing at the first meeting of the board of the conference session so that we may be able to make an intelligent distribution of the fund. A blank will hereafter be sent to each pastor for that purpose. We have asked for the same amount as last year for the conference claimants and for the Superannuate Endowment Fund and urge adoption of same. We urge the adoption of the memorial to the General Conference providing for the campaign for \$10,000,000 Endowment Fund.

Respectfully submitted,

J. F. CARTER, Chairman.

John W. GOODWIN, Secretary.

BOARD OF EDUCATION

We, the Board of Education of the Texas Conference, have had under consideration reports concerning the Christian Education Movement from the General Board of Education and from the Conference Educational Secretary and respectfully offer the following:

We are gratified at the splendid progress that has been made towards the attainment of the five objectives of the Christian Education Movement. When all of the conditions are taken into account, we believe that what has been accomplished is little short of marvelous. In the face of the greatest financial stringency in the recollection of most of us more than Twenty Millions of Dollars have been subscribed. We are not planning any immediate additional campaign to reach the goal of \$33,000,000 set by the General Conference, yet we confidently hope that before the end of the five year period allotted to Christian Education every charge may be able to reach its full quota. What has been accomplished is a great tribute to the faithful service and loyalty of the preachers and people participating.

Southern Methodist University

Southern Methodist University has the largest student body of any church school in the South. Several hundred applicants have been turned away for lack of facilities. The graduates are going into

all parts of the earth carrying with them the ideals of Christian Education.

Theological Department of S. M. U.

The great need of today is a trained ministry. Our Theological school is seeking to meet this need. It has the largest number of young preachers enrolled of any Theological School in our church. We rejoice in the report that thirty-four student pastors serving charges received into the church this year as a result of their personal ministry nearly fifteen hundred people on profession of faith.

The Summer Assembly

We recommend the Summer Assembly to all undergraduates as the best place to do their undergraduate work.

Southwestern University

Southwestern University is approaching her Fiftieth Anniversary. For these fifty years she has been doing a high character of work, sending high class men and women into all walks of life. She has enrolled this year nearly 800 students.

Texas Woman's College

Texas Woman's College is filling a very important place in the Educational System of the church in Texas. It is well patronized and we commend the work being done.

Alexander College

Alexander College is our Conference School. We believe it is well managed and deserves our support. The work being done is of the highest class for that grade of college.

Wesley Bible Chair

The Wesley Bible Chair is seeking to furnish religious instruction and Methodist ideals to the many hundred Methodist students in the State University of Texas. In this she is right well succeeding.

A. & M. College

More than 500 Methodist men are enrolled in the A. & M. College. More than 200 of this number are from our own Conference. Rev. King Vivian is our Representative there. We heartily endorse the plan of Brother Vivian and the A. & M. Commission by which they hope to raise \$3,200.00 in this Conference during the next year for emergency work.

Recommendations for Appointments

We recommend the following appointments: James Kilgore as

Professor, and H. M. Whaling, Jr., as Vice President of Southern Methodist University. Joe M. Conley as student in Southern Methodist University, and K. E. Barnhardt as student in University of Chicago. Rev. Glenn Flinn as Conference Educational Secretary. We recommend that the salary of the Conference Educational Secretary be fixed at \$3600.00 per year, plus traveling expenses.

Recommendations for Trustees

We recommend the election of the following trustees: W. L. Dean to succeed himself; W. F. Bryan to succeed himself; E. A. Berry to succeed Dr. J. H. Foster; S. W. Dean to succeed I. P. Sessions; B. J. Hawthorn to succeed G. Q. King, as Trustees of Southwestern University. J. A. Elkins to succeed W. L. Clayton as Trustee of Southern Methodist University. Mrs. H. G. Eastham to succeed herself as Trustee of Texas Woman's College. M. L. Lefler to succeed B. D. Dashell; R. J. Sullivan to succeed Leroy Trice; I. T. Shotwell to succeed B. J. Hawthorn; T. E. Acker to succeed himself; W. F. Andrews to succeed W. D. White; and A. T. Walker to succeed himself as Trustee of Alexander College.

Resolutions

Your Board offers the following resolution:

Resolved, by the Texas Annual Conference, That we reaffirm our faith in the Divine Authenticity of the Holy Scripture, and in the Deity of our Lord Jesus Christ; and be it further resolved that we go on record as being opposed to any rationalistic teachings from any source that would be calculated to disturb the faith of our people in the fundamental principles of our Holy religion.

Assessments

We recommend the following assessments:

Summer Assembly	-----300.00
Southwestern University	-----10,126.00

JAMES KILGORE, Chairman.

REPORT OF THE BOARD OF MISSIONS

Your Board of Missions, because of its policy of building up a reserve, has been able to keep its missionaries on the field. Through various experiences the Lord has led us.

After careful conference with the Presiding Elders, your Board for the fourth consecutive year is able to meet every demand. This action requires faith in God and the brethren of the Conference with hope that early collections will enable us to send the drafts to our missionaries every quarter.

The developments at Texas Agricultural and Mechanical College have been gratifying. We most heartily adopt the recommendations of the A. & M. Methodist Commission with regard to raising Ten Thousand (\$10,000.00) Dollars for real estate and temporary improvements. We accept our pro rata of Three Thousand and Two Hundred (\$3,200) Dollars to be raised under the direction of the Commission without assessment.

We recommend that Bishop Ainsworth appoint King Vivian as pastor to the Methodist Students at Texas A. & M. College.

We recommend the appointment of T. W. St. John as District Evangelist; R. J. Smith, W. F. Thresto, James N. McCain, C. E. Mock, Henry S. Alkire and O. F. Zimmerman as Conference Evangelists; W. G. Harbin as General Evangelist.

Our Conference Missionary and Centenary Secretary, D. H. Hotchkiss, has gone in and out among us rendering splendid service. We recommend that Bishop Ainsorth continue him in this relation.

REPORT OF THE SECRETARY OF MISSIONS

The year of work in the interest of the Centenary has been an exceedingly busy one, and with less results than had been hoped for. Doubtless the stringent financial conditions account for the disparaging results. With all the basic industries of our section depressed, with wages and salaries lowered, and with many persons unemployed, it has not been possible to keep the collections up to the level. The Educational Movement, with its rightful claims on the leaders and people, so absorbed the attention and abilities of the church as to further reduce the contributions to the Centenary. However, I have found that in numbers of places where our pastors and treasurers have been carefully and tactfully keeping the Centenary before the people we have had gratifying returns.

The figures of the pledges and payments to date are as follows:

District	Quota	Pledge	Paid	Per Ct.
Beaumont	\$110,000.00	\$115,831.75	\$ 28,931.71	.25

These figures added show our total pledge to have been \$1,097,760.59 and the total payment to be \$307,207.40.

I wish to call attention to the fact that our Conference ranks 35th in the 38 distributing Conferences, and our record is not one of which we may boast. We can put the Texas Conference to the front if we will.

REPORT OF SUNDAY SCHOOL BOARD

The work done is reflected in part through the report of our Field Secretary, Rev. I. F. Betts.

Three Standard Training Schools have been held, on each at

Houston, Texarkana and Jacksonville. The total enrollment was 640. Only those who attended six class periods were enrolled.

Besides these 24 institutes have been held reaching 65 Sunday Schools, 49 pastors, 70 Superintendents, 329 teachers, 1189 members of the Sunday School who are in the church, and 639 members of the church who are not in the Sunday School.

Other than this 15 Sunday Schools have been visited, 38 attended Western Training School at Dallas, and much literature was distributed.

We note with pleasure the adoption of graded literature at many places during the year, and that a large number of Wesley classes have been organized. We heartily commend the following periodicals:

"The Church School," "The Methodist Superintendent and his helpers," and the three papers taking the place of the Visitor, "Our Young People," "The Haversack," and "The Torchbearer."

This board desires to emphasize the disciplinary requirements in paragraph 321 concerning Sunday School day. If the schools would observe this day and remit the offering to the treasury, Rev. R. E. Ledbetter, 1515 Washington avenue, Houston, Texas, it would greatly aid our work. A scholarship to the Western Training School will be given the Superintendent raising the most money per member on Sunday School day, and reporting the same within 15 days to the Conference Treasurer.

We call attention that our Field Secretary has a stereopticon which has been used very effectively in those places where new buildings or repairs were contemplated.

We recommend the appointment of Rev. I. F. Betts, Field Secretary for the ensuing year.

I. F. KEY, Secretary.

HOSPITAL COMMISSION.

hospital, for the reason that the overhead expense of a small institution from Dr. and Mrs. O. L. Norsworthy, constituting one lot more than the entire half block fronting San Jacinto St., and that the present building is in good state of repair, well equipped and rendering splendid service as a small institution, but has accommodation for only about 30 or 35 patients.

The church has not taken over the internal management of the hospital, for the reason that the overhead expense of a small institution like this would be greater than the income and arrangements were made for this year with Dr. Norsworthy that he continue to run it as he has in the past, as a private institution, without liability whatever against the church.

The campaign for last year resulted in subscriptions to the

amount of about \$135,000.00 of which amount more than \$50,000.00 has been paid. The balance can be collected in the near future, if vigorously looked after. At our Conference last year, it was decided by the Board of Trustees of the Hospital that to serve all of the interests of the church, it would not be well to push the Hospital Campaign during 1921, as this year was set apart for the Educational Campaign.

Now that the Hospital matter is before us for the future, we deem it wise to say that it would be well not to wait longer, but to push to a conclusion the raising of funds and the erection of the new building.

Therefore, be it resolved, that we now set for a goal \$300,000.00 including the amount already raised and secured in cash subscriptions and that we advise carrying out a campaign early in the new year in the City of Houston and in the entire Conference to prosecute to a conclusion the erection of the new building, so that at the earliest date we will be enabled to open for the accommodation of the sick and infirm that may need hospital care.

R. W. ADAMS, Manager for Commission.

CHRISTIAN LITERATURE

It is the sense of this committee that all of our publications, the Methodist Review, Christian Advocate, Missionary Voice and the Epworth Era, are of the very highest type and order, and deserve the strong support of our people and the widest circulation possible.

We feel that the editors of our Sunday School literature are justly deserving of commendation for the magnificent literature which they are furnishing to our Sunday Schools. This splendid literature is equaled by few and excelled by no similar publications.

We wish to urge all of our pastors to give more earnest consideration to the claims of our great general organ, The Christian Advocate.

We had before us Rev. A. J. Weeks, the editor, and Brother L. Blaylock, the publisher, of the Texas Christian Advocate, and after hearing their statement your committee submit the following concerning the Texas Christian Advocate:

The circulation of the Advocate is not growing as its merits deserve, nor as the needs of our people require. The Advocate is absolutely essential to the successful carrying on of our church work in this state. We urge, therefore, that it is a duty of paramount importance for every pastor to do his utmost in extending its circulation.

The publisher of the Advocate gives it as his confident hope

that the price of the Advocate will be materially reduced in the near future.

The join Board of Publication deemed it essential that the editor have office assistance and a little extra money for traveling expenses. As the publisher is now voluntarily paying to the editor a salary that is sixty per cent beyond the minimum salary which the contract requires him to pay, the Joint Board has, therefore, asked the several conferences in Texas to make an assessment aggregating Four Thousand Dollars for this purpose. The pro rata share for the Texas Conference is \$500.00. This amount has been approved by your Commission on Finance.

The committee heartily endorses the action of the Joint Board in re-electing Dr. Weeks as the editor of the Advocate.

Respectfully submitted,

F. O. FAVRE, President.

FRAZIER SMITH, Secretary.

AMERICAN BIBLE SOCIETY

The work done by the American Bible Society ha been of great value to all parts of the world. The total distribution of scriptures through the society reached a grand total of more than 3,000,000 volumes, while the Southwestern Agency distributed 81,193 volumes in twenty-seven different languages. The number of languages distributed indicated a home missionary work of great value. As far as the funds of the society would allow, it has met every call, giving special attention through this Southwestern district, to the blind, the leper, the sick, (particularly to the soldiers and sailors in army hospitals), the prisoners and inmates in reform schools and rescue homes. Much work of the American Bible Society has been done within the bounds of our Texas Conference, especially by our Colporter, G. A. Perkins, working in Houston, Beaumont, Texas City, Port Arthur, Galveston and Humble. Brothers W. W. Adams and W. M. Sproule have also been doing good work. Special attention has been given to foreign speaking people within the borders of the Texas Conference, such as the Mexican, Italians, Bohemians, and Germans. During the last month more than five hundred Bibles have been placed in Bibleless homes. The society is about \$80,000.00 in debt but does not ask for a raise in the assessment, but is asking that some of our special Missionary money be turned through the channels of the American Bible Society. The Society is seeking one hundred big-hearted men or women who will contribute \$100 each to the American Bible Society.

EPWORTH LEAGUE BOARD

We are pleased to report an increase of twenty per cent of chapters and eighteen per cent in membership for the past year. There has been also an increase in the liberality of support. However, there is yet great need for more chapters, more membris and more libral support.

The discipline provides that every pastoral charge observe second Sunday in May as Anniversary or Young People's Day and remit the offering to the Conference Epworth League Treasurer. This is to be done whether or not there is a League. There was a fine increase in this observance last year but more should remember it.

After careful examination of the budget submitted by the Conference Epworth League, we recommend for their work an appropriation of \$892.00.

We recommend the assembly to be held at Texarkana next year.

A. A. WAGNON, President.

J. C. MARSHALL, Secretary.

CHURCH EXTENSION

We recommend, First: That this conference rescind its former action relative to never assuming its quota of the expense in erecting our representative church at Washington as an assessment the conference.

Second: That we ask the conference, now in session, to assume the amount yet due, by this conference, which amount is \$3,000, as an assessment covering a period of four years.

Knowing as we do the value of the Board of Church Extension in the advancement of the Kingdom of God, stability of the church life in assisting in the erection of church buildings, we earnestly request that our pastors inform our people of the work of the board and the demands made on the board, that our Presiding Elders give some time at their District Conferences an opportunity to present the claims of the board. We also ask our pastors to present to their people the annuity plan in connection with the board.

We recommend with the other Boards of the Conference that proper steps be taken in securing property at A. & M. College for the purpose of establishing a church plant there.

TEMPERANCE AND SOCIAL SERVICE

The Methodist Church has ever been committed against the liquor traffic, and our church furnished its full quota of fighters for prohibition, and contenders for the 18th Amendment to our Constitution.

The fight, however, is not yet over. Perhaps a full score of organizations have been launched to hinder the enforcement of prohibition laws. These must be watched and warred against in order to hold our ground, and to make further advances.

We need to make a vigorous campaign for the development of sentiment in favor of law enforcement. We urge the pastors to ring out a clear call to duty in this cause.

We commend the Anti-Saloon League as the great agency through which mighty victories have been won.

Next: Of late years a mighty race consciousness has been developed. This is especially true of our brother in black. We recommend that our preachers and laymen cooperate with "The Inter-racial Commission" which is a united effort on the part of the churches of the south to solve the problems arising from the presence of the negro in our midst.

Last, but not least, our Christian Sabbath deserves attention. The church gave our country the Sabbath, and the church must maintain it. Let us by example and precept guard the Lord's Day.

We recommend that our Presiding Elders do not hold Quarterly Conference on Sunday, and that we urge our people to do as little work as possible. We can not have an America without the Christian Sabbath.

Respectfully Submitted,

JOHN E. GREEN, Chairman.

G. W. RILEY, Secretary.

ORPHANAGE

W. F. Barnett, Manager, came before our committee and we are much pleased with the report he brings of our Home at Waco.

There are now 259 children in the home with 19 more girls than boys. "There is no room in the Inn" for another homeless child. There have been turned away as many children as there are now in the home during the past year.

The health of the children has been remarkably good, no deaths in our great family during the year. In fact, there have been only three deaths in the home within the last nine years.

It is the purpose of the management to make a real Christian Home of this institution for every boy and girl entering there. The children receive vocational and culture training, the industrial fea-

ture being emphasized in farming, broom-making, canning, dairying, laundry work, sewing, etc. The home school includes the grades up to the high school work, and under present conditions our children attend the city high school. There are now forty-two going to the city high school. Several of the girls are now in college and working as many as four hours per day to help pay their way, other expenses being paid by friends of these girls. Piano, voice and band music are features of the school course.

The home has the most modern dairy barn and equipment in the southwest. The dairy barn is a gift of Dr. J. W. Torbett, Marlin, Texas. Dr. Torbett is President of the General Board and a great and good friend of our home.

Resolved: First: That we heartily endorse the plan of the General Board of Managers in their desire to raise \$160,000.00 in Texas during the month of December, 1921, \$100,000.00 of said funds to be used to erect permanent improvements sufficient to enlarge the capacity of the home so that we will care for one hundred more children and provide for sufficient funds for maintenance of the home for the coming Conference year.

Second: That December, in so far as it is possible, be devoted to the study of the home and its needs by our people during which time every member of our church will be instructed concerning the great work that is possible for us to do through this particular institution.

Third: That the third Sunday in December be denominated "Orphan Home Day" and in so far as it is possible this interest be given full right of way in our churches at this time.

W. L. CANNAN, President.

I. B. MANLY, Secretary.

LAYMENS' REPORT

We desire to express our loyalty to our church, and pledge our best efforts in all her undertakings. We rejoice in that success that has already come, and pray God's blessings upon our future efforts.

We have heard with pleasure the address of Dr. Beauchamp, and we are more than ever convinced of the wisdom of the laymens' movement. Great progress has been made in the last two or three years, and, with proper co-operation on the part of pastors with the various lay leaders, the movement may be a great asset in the progress of the Kingdom.

We pledge our fullest co-operation in whatever program the church may inaugurate.

We recommend the election of J. H. Bohmfalk as Conference Lay Leader.

MEMORIALS TO GENERAL CONFERENCE

To the Bishops and members of the General Conference of the Methodist Episcopal Church, South.

We, the members of the Texas Annual Conference, would respectfully memorialize your honorable body to amend paragraph 437, article 12, of the Discipline 1918, by striking out in lines 9-10, the words, "meet the claims of" and inserting in their place the words, "provide a reasonable support for" and in line 12 strike out the word "apportion" and insert the word "report" in its place. And in line 14 after the words "Board of Finance" insert the words "To the Conference Commission on Finance, who shall apportion the same," so that the entire paragraph shall read: Paragraph 437,, article 12, each annual conference shall organize a Conference Board of Finance, composed of one layman from each district, an equal number of clerical members, which shall be auxiliary to the Board of Finance and shall have charge of all the interests and work of providing for the Conference Claimants. Said Conference Board of Finance shall estimate the amount that will probably be necessary to provide a reasonable support for the superannuate preachers, the widows and orphan children of the deceased members of the conference, report the same, together with the assessment of the Board of Finance, to the Conference Commission on Finance, who shall apportion the same to the several Presiding Elders' Districts for the ensuing year as are other funds assessed upon the Annual Conference, the receipts from the total assessment to be divided between

the Board of Finance and the Conference, according to the ratio of the assessment of each of these boards.

A. A. WAGNON,
T. C. SHARP,
B. C. ANDERSON.

(Adopted.)

Resolved: That the General Conference of the Methodist Episcopal Church, South, to convene in the city of Hot Springs, Arkansas, in May, 1922, is hereby memorialized by the Texas Annual Conference, now in session in the City of Beaumont, Texas, to take such steps as are necessary to so change the law of the church in regard to the election of Bishops that they shall be elected for a given term of years instead of for life, the law to so read that they shall be elected just as all other connectional officers are elected.

Respectfully submitted,

I. F. BETTS,
J. M. GORDON,
J. F. GARRETT,
B. C. ANDERSON,
S. W. THOMAS.

Committee recommends concurrence. (Adopted).

III. Whereas, The General Board of Finance organized under the direction of the General Conference, incorporated under the statutes of Missouri, and located in the City of St. Louis, has become strongly and firmly established, and thoroughly equipped and competent to handle large funds, and

Whereas, The General Conference of 1918, and the consensus of opinion of practically all other church leaders, have, by strongest implication at least, held out the hope that the ensuing quadrennium would be given to a special effort to provide adequate support for the Conference Claimants;

Therefore, Be It Resolvtd, That the Texas Annual Conference hereby memorializes the General Conference of th Methodist Episcopal Church, South, to be held in May, 1922, to give to the General Board of Finance the right of way during the ensuing quadrennium, May, 1922-1926, to carry on a special effort in all the annual conferences to raise a minimum of ten million dollars for superannuate endowments, the amount raised by the effort to be received and administered by the Gentral Board of Finance, and credited on its

books to the general super-endowment funds, according to the ratio of division to be determined.

Committee recommends concurrence. (Adopted.)

IV. Whereas, Paragraph 166 of the book of Discipline partakes of the nature of class legislation in that it prohibits one class of ministers from using tobacco and does not prohibit another class, and

Whereas, The paragraph as a law is failing to do the thing intended, that is, to raise up a class of preachers who do not use tobacco, for often times candidates for admission on trial will abstain from tobacco for a few months and then take it up again, and

Whereas, It never will serve the purpose of preventing the use of tobacco by our ministers, because class legislation cannot bind the conscience of a man,

Be It Resolved, By the Texas Annual Conference, That we respectfully memorialize the General Conference to so change paragraph 166 until it shall read: "The committee on admissions shall urge all applicants for admission on trial to abstain from the use of tobacco."

E. A. MANESS,
L. B. ELROD,
JAMES L. RED.

Committee recommends concurrence. (Adopted.)

V. Resolved, That the General Conference is hereby memorialized to change paragraphs 341-342 of the Discipline which place the custody of the funds belonging to the Annual Conference Boards of Church Extension in the hands of the General Board of Extension, so that the Conference Board shall have not only the direction, but the absolute control of their funds.

I. F. BETTS,
J. M. GORDON.

Committee recommends concurrence. (Adopted.)

VI. The Epworth League Board of the Texas Conference would respectfully petition your honorable body to more clearly define the respective spheres of activity of the Woman's Missionary Societies and the Epworth League in reference to the organization of our children and young people, so as to prevent the overlapping of these bodies, which we find often works to the detriment of the proper training of our young people. Believing as we do, that the Epworth League ministers to the training and spiritual development of our young people as no other organization can, we believe the

Epworth League should have charge of this particular part of training our young people for life service.

Respectfully submitted,

A. A. WAGNON, President,

J. C. MARSHALL, Secretary.

Committee recommends concurrence. (Adopted.)

VII. We, the members of the Texas Annual Conference, pray the General Conference to change the clause "Holy Catholic Church" wherever it occurs in the Discipline to "Church of God."

R. W. ADAMS, Chairman,

W. F. BRYAN,

J. L. MASSEY,

I. F. BETTS, Secretary.

IN MEMORIAM

Bishop Walter R. Lambuth

Walter Russell Lambuth was born on November 10th, 1854, in Shanghai, China. His father, Rev. James William Lambuth, and his mother, Mary Isabella McClellan Lambuth, were pioneer missionaries of the Methodist Episcopal Church, South, in China.

He was converted at sea in his stateroom at the age of fourteen while on his way to the United States, and joined the church at Lebanon, Tenn., soon after reaching this country. He was educated at Cumberland University, Emory and Henry College, the University of Nashville, graduating from Emory and Henry in 1875. He also took a medical course in Vanderbilt at the head of a class of sixty students. Later he was graduated from Bellevue Hospital Medical College, New York City, and later studied in Edinburgh and London.

In 1877 he was married to Miss Daisy L. Kelly, a daughter of Dr. D. C. Kelly, and a month from their wedding day they sailed from San Francisco under appointment as missionaries to China. In 1880 he was appointed Superintendent of the China mission. In 1882 he opened the Soochow Hospital. In 1887 he was appointed Superintendent of the Japan Mission. In 1888 he established the Girls School in Hiroshima. In 1889 he established the Kwansei Gakuin in Kobe. In 1892 he was elected Secretary of the Board of Missions, which position he held until elected to the Episcopacy in 1910. At the close of the Spanish-American War he made a tour of the Islands of Cuba. He was a delegate to the Ecumenical Conference in 1891 and again in 1901. He was a Commissioner to assist in the union of the Methodist Churches of Japan in 1907.

He helped translate the New Testament into Chinese; for a time edited a paper in Chinese; helped to prepare a Japanese Discipline for the Methodist Church in Japan; edited the English edition of the Japanese Discipline; edited the Review of Missions for a number of years, and did a vast amount of other literary work.

May God comfort the sorrowing family, and bless the great Church our ascended leader loved so well.

Oscar T. Hotchkiss

Early in the morning of Sunday, August 28th, 1921, the soul of our brother, Oscar T. Hotchkiss, received a joyous welcome into the land of the eternal morning.

Rev. Oscar T. Hotchkiss, son of William S. and Mary E. Hotchkiss, was born in Austin, Texas, Feb. 5th, 1857, making him, at the

time of his death, 64 years, 6 months, 23 days old. He was converted under the ministry of Rev. M. Lockett, in July, 1867, and joined the Methodist Episcopal Church, South, in August of the same year. In December, 1875, he was licensed to preach under the administration of Rev. Josiah W. Whipple, Presiding Elder, and was admitted on trial into the Texas Conference at Brenham, Texas, Dec., 1875, at the age of 18, Bishop George F. Pierce, presiding. He was ordained Deacon at Galveston, Texas, December, 1877, by Bishop W. W. Wightman and Elder at Austin, Texas, by Bishop H. N. McTyeire.

This is the record of his ministry as it appears in the Texas Advocate, issue of Sept. 1st, 1921, and is accurate. 1876—Huntsville Circuit. His health failed and he gave up the charge in two months after his appointment. 1877—Live Oak Circuit. 1878-79—Richmond Station. 1880—Plantersville and Courtney. Here he had more than 100 conversions and additions. 1881—Plantersville and Montgomery. 1882—Columbia and Brazoria, where he built a parsonage. 1883—Austin Circuit. 1884-5—Richmond Station, where he built a parsonage. 1886—McKee Street, Houston, Texas. 1887-9—Caldwell Circuit. Another parsonage built. 1890—Bremond and Reagan and here he had more than 250 conversions and 200 additions with 7 men answering the call to preach. 1891-4—Calvert Station and the church was rebuilt at a cost of \$3,000.00. 1895-96—Tabernacle Church, Houston, Texas. 1897-1900—Houston District. In two of the years, 1898-9, of this quadrennium the district paid all assessments in full. This was the first district in the entire state to make such a report. 1905-6—Beaumont District. 1907-8—Marlin Station. More than 200 converted and parsonage debt paid; church moved to a more eligible location. 1909-10—Pittsburg Station. Paid \$5,000 debt on church. Here the church assumed the support of a missionary in the foreign field, the first in the history of the Texas Conference. 1911—Lufkin Station. 1912-15—Pittsburg District. 1916—Nacogdoches Station. 1917-20—Bay City Station. It was here that paralysis began to make the temple of a noble soul uncertain. 1920—Superannuation, and then his coronation. He died at Reagan, Texas, at the home of his son, D. S. Hotchkiss, pastor at Reagan, on the date given above.

Brother Hotchkiss was twice married. First to Miss Olivia M. Russell, of Austin, Texas, Feb. 5th, 1880. One daughter, Mrs. W. F. Ferguson, Gonzales, Texas, was born to them. On Oct. 6th, 1896, he married Miss Carrie Gillmore, of Columbus, Texas. Three daughters and two sons were born of this union, two of whom have preceded him to the better land, leaving Mrs. L. H. Lockett, of Commerce, Texas; Rev. D. S. Hotchkiss, Reagan, Texas, and O. T. Hotchkiss, Jr., to follow on. In his record he leaves these tender words:

"I owe more to my father and mother and the two good women who shared with me the lights and shades of the Itinerancy than can be told by human tongue."

Besides the above members of his family, he is survived by two brothers, both preachers, Rev. M. S. Hotchkiss, of the Central Texas Conference, and Rev. D. H. Hotchkiss, of the Texas Conference.

Brother Hotchkiss was a good preacher. His sermons were "beaten oil." He was always prepared to preach when he entered his pulpit. He had a fine style, an accurate use of language, and was an attractive preacher. He preached on great themes, such as these: "The Redeeming Grace of God;" "Salvation Through Jesus Christ;" "The Resurrection" and "Immortality." In his younger days Brother Hotchkiss was a great revival preacher.

Brother Hotchkiss was a great executive leader. Abundant evidence of his ability in this sphere of activity is shown in the work on the Houston District and in saving a very delicate situation at Texarkana. His conference recognized his ability as a leader. It honored him with its high places. It elected him to the General Conference in 1910 and for many years he was the Secretary of the Conference. He was elected secretary in 1907 and served until his superannuation. In this position he was the peer of the church. Often it was said of him that he was the best secretary in the connection.

Brother Hotchkiss was a good preacher. A good man. A pure, noble, Christian gentleman. In his home he was a faithful husband, a true father, and in home circles always a delight. He loved the church and her preachers.

He had a unique career. He was born at Austin, was converted and joined the church at Austin. Here he was licensed to preach, married, ordained an Elder and was laid to rest. He built three parsonages and paid for the fourth. He built several churches and had literally thousands converted under his ministry. He was the first Presiding Elder in Texas to pay all the assessments of a district and the first pastor to have a church to support a missionary in this Conference.

CHAS. T. TALLY.

A. S. Whitehurst

He was converted when a boy—and he had no doubt of his conversion—he was licensed to preach June 8, 1878. In the fall of that year he was admitted on trial in the North Alabama Conference. Having entered the itinerancy for life I feel sure he gave no heed to any suggestion to turn aside. During our long, intimate acquaintance he never once referred to any secular work that might even be considered. Years ago he wrote "I expect to die a Methodist

preacher" and he did. He was a man of wide reading. He had a good library—books of the best authors. He knew good books and did not hesitate to pass judgment on them. Marginal notes and comments on blank leaves were freely made. Occasionally he wrote for the church paper. The articles were always worthy of a reading. He expressed himself well and with a smoothness that belongs to those that write frequently. He was a good conversationalist. His appointment to Jasper had proven to be a very happy one. To the pastor and family, as well as the church. The work had gone forward in a very satisfactory way. The Advocate, one week before announcing his death, contained Brother Whitehurst's account of a most successful meeting in which he had the service of Rev. S. S. McKenney, of Galveston. At nine o'clock Friday morning, Oct. 15, he quietly "fell on sleep." He fought a good fight and kept the faith. He became a member of this conference in 1894, having come to it as a transfer from the North Alabama Conference.

The body was laid to rest in the cemetery at Sherman beside the grave of their daughter, Mrs. Jessie Bell Dunn. The bereaved wife, born in a parsonage and remaining in one until after her husband's death, is now with her daughter, Miss Annie Laurie, who is a member of the faculty of Kidd-Key College. CHAS. F. SMITH.

Rev. Isaac J. Coppage

Born Dec. 22, 1862, in Harrison County, Texas, was licensed to preach Sept. 23, 1883, by the Jefferson District Conference, Richard Lane, Presiding Elder. He was ordained a Deacon at the North Texas Conference, November the 24th, 1889 by Bishop Joseph I. Key and an Elder on the 3rd day of December, 1893. We have no date of his admission on trial. He served the following charges as pastor. In the North Texas Conference: Crandal, two years, College Mound, (near Terrell), two years, Wheatland, Dallas county, four years Argyle, Denton county, one year. Located for three years, readmitted and served in this Conference: Arlington, one year, Colfax, one year, Teneha, one year, Kelty's, two years. In the year 1904 he was admitted into the Gulf Mission Annual Conference, M. E. Church, at Hughes Springs, Bishop Mallalieu presiding, and his orders recognized. But in 1906 he was admitted and his orders recognized by the Texas Annual Conference, M. E. Church, South, and continued a member of this conference until called by death to the Heavenly Home, Nov. 8th, 1921.

Robert Anthony Burroughs

Robert Anthony Burrough was the son of W. W. and Paulina Burroughs and was born at Louisville, Mississippi, July 16th, 1856.

At ten years of age he was converted and joined the Methodist Episcopal Church, South. Later with his parents he joined the Cumberland Presbyterian church. At sixteen years of age he was licensed to preach in this church and was educated for the Cumberland Presbyterian ministry. In the study of theology he discovered that he was a Methodist and rejoined the Church of his early choice.

He was happily married to Miss Annie Ford, who was his faithful wife until the day of his death. From this union four children were born. One, Luella, died at the age of seven and the others, Mrs. Gertrude Burbanks, Waco, Texas; Eugene H. Burroughs, St. Louis, Mo., and Mrs. J. W. Hillen, Marlin, Texas, survive him.

He was admitted on trial into the traveling connection in the Mississippi Conference, at Sardis, Miss., Bishop Doggett presiding, in the fall of 1876. Ordained Deacon and Elder by Bishop Paine. He served the following charges in the Mississippi Conference: Shaqualak Ct., 1877, Lobucha Ct. 1878; Newport Ct. 1879; French Camp Ct. 1882-3; Lodi Ct. 1884; Winona Ct. 1885; Carrolton Ct. 1886-7; Blackhawk Ct. 1888; Okolona Station 1889-90; appointed by Bishop Hendrix, Presiding Elder, Durant District 1891; Granada District 1892-3-4; Columbus District 1895-6-7-8; Greenwood Station 1899-0-1. He was then transferred to the Texas Conference and served the following charges: Kosse Ct. 1902; Calvert District, 1903-4-5-6; Pittsburg District 1907-8-9; Jacksonville Station 1910, and was reappointed to Jacksonville Station and served three months and on the death of J. B. Sears was made Presiding Elder of Pittsburg District for the remainder of 1911; Brenham District 1912; manager Methodist Orphans' Home, Waco, Texas, fall of 1912 to fall of 1918, at which time he was superannuated. He held this relation until his death.

Brother Burroughs was a good preacher. Many souls were saved and many more built up in a most holy faith by his ministry.

He loved his home circle. His loving, tender care and careful provision spoke eloquently of his love for that inner circle. His greatest joy was to have his own gathered around him at home. It was this spirit that made him so valuable a man as manager of the Methodist Orphans' Home. He ever sought to make it a home for the little unfortunates. This he succeeded in doing.

He died as he lived, calm, serene, trusting Christ and with joy answering the roll call of the sky. Dr. J. W. Bergin, assisted by Dr. I. F. Betts and the writer, held the last rites and we laid him away to await the general resurrection at the last day.

William Wallace Graham

William Wallace Graham was born December 9, 1839, in Monroe-Ville, Alabama. He was the son of Nathaniel Smyley Graham and Margaret McKinzie Graham. He was converted under the ministry of Rev. Lawrence M. Hilson in 1854 and at that time united with the M. E. Church, South. In 1861 he was licensed to preach, with Rev. R. K. Hargrove, preacher in charge and Rev. William Murrah, Presiding Elder. He joined the Confederate army March 10, 1862, and became a member of Company I, Twenty-eighth Alabama Regiment, Army of Tennessee. Was with General Bragg through Tennessee and Kentucky. At the battle of Murfreesboro he was made color Sergeant, being the third man to take the colors. The first was his boyhood friend, the second his own brother. He was then made chaplain of his regiment and served in the capacity until the close of the war. He was married in 1864 to Miss Julia Watson, who preceded him to the Home Land more than twenty years ago. Two children were born to them, Marvin Graham, of El Paso, Texas, and Mrs. C. E. Hocker, of Clarksville, Texas. At the close of the war he joined the Montgomery Annual Conference and began his life work. He served his church as pastor for sixteen years in his native state. He then transferred to the Little Rock Conference, where he remained three years, then to the Texas Conference five years, then to the North Texas Conference for eight years and lastly to East Texas (Now Texas), where he remained until God transferred him to the Church Triumphant. He was ordained Deacon at Bethol Church, Butler County, Alabama, by Bishop McTyeire, July, 1865, an Elder at Jacksonville, Alabama, by Bisop Wightman, December 9, 1866. He served the following charges: in Alabama, Evergreen, Sepulgamt. Mount Pleasant, Escambia, Mt. Ida, Rutledge, Crawford, Camden, Vervena, Choctaw Corner. In Arkansas: Princeton and Magnolia. In Texas: Rockdale and Chappel Hill, Bastrop, Jewett, Wills Point, Pilot Point, Bellevue, Valley View, McKenzie, Rosalie, Arleston, Harrison, Lindale, Malakoff, Leesburg, Arleston (second pastorate), Burke, Keylty, Gary, Harleton, Alto. During his pastorate on the Sepulga Circuit, the first district conference ever held in Southern Methodism was held within the bounds of his charge, July, 1866, Bisop McTyeire presiding. After giving forty-five years of uninterrupted service to the church, during which time he received approximately two thousand and fifty members and baptized one thousand infants, he took the superannuate relation and came to spend the evening of his life in the home of his daughter, Mrs. Clarence Hocker. Though his body had become enfeebled by age and sickness, his mind was as clear as a bell up to the last. In the early morning of September 23, 1921, he passed quietly away. The funeral

services were conducted by the writer, assisted by Rev. S. A. Barnes and Rev. J. H. Groseclose, after which we tenderly laid him to rest in the Clarksville Cemetery. G. A. LEHNHOFF.

Emily Z. Godbey

Emily Z. Godbey, wife of Rev. V. A. Godbey, D. D., was a daughter of Paul Collins Abney and his wife. She was born August 3, 1866, in Angelina County, Texas, where she was reared and was educated in the public schools. She was married to Prof. Thomas Jefferson Moseley in December, 1885. Two children were born during this union—a daughter and a son. The daughter died in infancy and her son, Thomas Jefferson Moseley, of Washington, D. C., survives her. After three years of happy married life with Prof. Moseley, she was left a widow and in 1891 she was married to Rev. V. A. Godbey, then a member of the East Texas Annual Conference of the M. E. Church, South. Death called her away on February 23, 1921, at 7 a. m. From her childhood she has been an earnest and guileless Christian. The spirit of self-sacrifice and service was constantly manifest in her life. Her marriage to a Methodist preacher opened to her a field of larger usefulness. She gave her time largely to the organization and development of the Woman's Home Missionary Society. She became a conference officer of this organization. She began to study the new forward movement the church was promoting in Sunday School work. From that time onward she made the development of the Sunday School her principal task. She devoured the books which were being published on the subject until she had read every important publication of this class. She was elected by the Texas Sunday School Association as State Superintendent of Elementary grades. She took a year's training in a kindergarten school and a partial course in biology in the State University, successfully completed a correspondence course of the University of Chicago and also a correspondence course in teacher-training under the superintendent of this department in the Methodist Episcopal Church. Although no children were born in the parsonage home, and only her husband and his stepson survive her, the parsonage was seldom without children. At the time of her death a 15-year-old girl, who has been in the home as a daughter for about three years, wept bitterly.

The above is a brief history of the life of one who proved what may be accomplished by an individual who hears a call and gets a vision and responds to both. She will be greatly missed, but she set in motion influences which will abide in the lives of all with whom she came in contact.

L. J. POWER.

Mrs. John S. Mathis

Miss Alyice Aurelia Jones was born in Ashville, N. C., on April 2nd, 1838. She was married to Rev. John S. Mathis, Oct. 4th, 1860, in her 22nd year. He was then on the Paris Circuit. Being a woman of strong mind she knew that accepting an Itinerant Methodist preacher, she had selected the hardest lot that fell to women of any class. Her husband fell on sleep in the arms of his loving father in 1905. I knew Sister Mathis for many years, was her Presiding Elder and spent many happy hours in her parsonage home. She was one of "The Mothers of Israel" then, but she was well preserved, and often when she sat in the house of God her face was transfigured with the beauty of the Lord her God.

She loved God, and loved her neighbors, and fed the hungry poor, and ministered to the sick and dying. For 16 years she walked on, lonely without her husband, but knew where she would find him. She spent the last days of her life with her son, Judge John M. Mathis, and on the morning of February 6, 1921, at his home in Houston, Texas, the Angels came and took her home. Beside her son she left a step-daughter. And from hence she will look for them to follow on, and may God continually guide them that way. Farewell, saintly mother, faithful Christian.

J. T. SMITH.

Mrs. Bettie Crouse

Nee Harris, was born in Alabama August 24th, 1850, and died January 4th, 1921, at Marshall, Texas.

She was converted and joined the Methodist church at old Mt. Zion Church, near Marshall, Texas, when she was a very young girl. She was married to Reverend L. C. Crouse, an itinerant Methodist preacher, on August 24, 1867.

Brother Crouse died an honored member of the East Texas Conference in 1890, leaving to her the support and training of their children, consisting of four girls and one boy. She succeeded well in training them. Her son, B. J. Crouse, and Mrs. Rickman, live at Marshall. Mrs. Morris in Bronson, Mrs. Mullen of Galveston, survive her.

She died as she had lived, strong in the faith and service of her Lord to the best of her knowledge.

May her influence long remain to help the world.

John S. Watson

John S. Watson was born at Blanco, Texas, in September, 1869, and died in St. Louis, Mo., July 26, of this year.

He was absent from home where he had gone to purchase goods for his fall and winter trade. Thus he was in line of duty in harmony with his vocational life work, as well as in his usual health. Being stricken with acute indigestion, his departure was unexpected and sudden.

To his church he gave his life. To him God was there; and God worked there. This cannot be better told than in the beautiful story of his constancy and faithfulness in the church. Converted at the age of thirteen, he commenced to exercise himself in a definite way. Soon afterwards, while in his teens, he was elected a steward, which office he held until his death. From his charge to every District Conference he went as a delegate, and for many years a delegate to the Annual Conference, being a delegate-elect to this conference. He was always in Sunday School. Wherever the Sabbath found him he reported present with but six exceptions in his whole life. To every pastor he was most loyal, as to his church. The two were one to him, and never separated by any sort of problem. He thought for himself, but always stood for both his pastor and church.

To his home and family he was a model of devotion and tender love. Firm in discipline, the children of this elect father understood and trusted to his unbounded love.

Let us say as a summary of his eventful life that in every place where he served that he was not found wanting, being true to his God, church, family, friends and country.

H. H. McCAIN.

CHURCH FURNITURE

While the tendency of the church today is to emphasize the ideal of service, the importance of beauty in creating a true churchly atmosphere is fully recognized.

Our many years experience in the building of Church Furniture enables us to design, build and install the interior furnishings complete, in harmony with the architectural treatment of the edifice.
